June 2016

A Big Thank You

to Jim Upchurch from the Audubon Society for his fascinating presentation at the May meeting and for his donation of a heron photo on canvas. Member artists are completing the background of the picture.

Lake Placid High School Spring Career Showcase

On May 10 there was an amazing display of visual arts (LPLA judged and awarded prizes), music, culinary, and agriculture at the high school. This is one of our contributions to promoting the arts in our community. Thanks to the members who attended. The students appreciate our support.

We received a thank you card signed by participating students and a

gift box of many colored Sharpie pens.

June Meeting

The Sharpies will be put to good use at the meeting on Wednesday, June 15. We will be doing some fun art for grown-ups. See you there.

Archbold Camp

Thank you to all of you who are volunteering this month and next at the Summer Camp. Making paper plate birds is fun, fun, FUN!

Summer Schedule

Remember, there will be no meetings in July and August. Our next meeting will be Wednesday, September 21. Also, there will be no newsletters until September.

Have a safe, happy, healthy summer!
