September Meeting

Our meeting will be held on Wednesday, September 16 at 5:00 PM at our Art League building. We will have our covered dish dinner, a business meeting, and we will have an adult coloring session, the new rage, afterward. This should be a fall beginning that will be fun filled and productive. Please plan to attend.

Good Health to All

Our wishes are extended to everyone to be well and in great spirits. A rapid recovery to those who have had procedures and to those who already are on the road to recovery. Christine and Carl Yarbour and Burt Pritchett have recently had operational procedures and are wished returned good health.

The painting class has been resumed after a summer break. The group meets every Tuesday from 9:00 to noon.

The woodcarvers meet on Tuesday afternoons following the painters. In addition, the woodcarvers meet on Thursday all day.

New or experienced artists and woodcarvers are invited to attend. Please call Bill Snyder for information at 699 2665.

Photography Class Coming

Glenn Gonzalez has plans to begin a photography class this fall. Classes will be a series of three two-hour sessions with class size limited to two or three students. Cost will be \$20 a session. For more information call Glenn at 659 1442.

Classes in Progress

November Celebration

Our thirty year celebration will be held on Sunday, November 1 from 1:00 to 4:00 PM at the Art League building.

We expect to provide a large sheet cake plus wine and punch for everyone. We would appreciate donated food items to complement those the Art League will offer. We hope our members will visit our celebration and bring their neighbors and friends as well.

Three art pieces, two or three dimensional, may be brought to the Art League on Thursday, October 29, all day until 3:00 PM for the celebration. This will be an exhibit of our members' talents to accompany displays about our Art League through the years. Please join in to make this a commemorative occasion.

Window Installation

We have purchased new windows for our Art League, and they have been completely installed by GSF Corporation, Gregg Foster, Contractor. We thank him for his efforts and appreciate his working with us on this project. Everyone, enjoy the new windows!

December Trash to Treasures

We again will have our Trash to Treasure resale of items on the second Saturday of December, the twelfth. Please save treasures for this sale at your home. We always have a wonderful sale that truly helps the Art League and community. More information will be provided in later newsletters. Call Pat at 699 2058.

Our January Show

Applications will be mailed later this month for our Twenty-Ninth Annual Art and Fine Crafts Show which will be held on Saturday, January 30. Please ask people to apply and be in our show. We will place our applications on our web site for artists to see and copy if they wish. We expect to mail about four hundred applications this year. Plan to apply, place on your calendar, spread the word, and plan to volunteer. Call Marlene at 699 2665 for more details.
